

This just went out on the SWAPA line.

We interviewed 18 yesterday in HOU. Upcoming classes are 10/1, 11/5 and 1/1. We are looking to hire at least 22 captains this year and 16 for the Jan class. Additional interviews are planned for Oct and Nov. Negotiations began today for what is expected to be a "substantial" pay raise that should be in effect 11/1. Per Diem has been already been raised 420.00 per month.
