**ORDER**

It is, on the court's own motion,

**ORDERED** that petitioner Persky in No. 07-1226 and petitioner Nelson in No. 07-1326 show cause within 30 days of the date of this order why the petitions for review in those cases should not be dismissed as to them as untimely. See 49 U.S.C. § 46110(a). The response to the order to show cause may not exceed 20 pages. Failure to comply with this order will result in dismissal of the petitions for review as to petitioners Persky and Nelson for lack of prosecution. See D.C. Cir. Rule 38. It is

**FURTHER ORDERED** that the parties submit, within 30 days of the date of this order, proposed formats for the briefing of these cases. The parties are strongly urged to submit a joint proposal and are reminded that the court looks with extreme disfavor on repetitious submissions and will, where appropriate, require a joint brief of aligned parties with total words not to exceed the standard allotment for a single brief. The parties are directed to provide detailed justifications for any request to file separate briefs or to exceed in the aggregate the standard word allotment. Requests to exceed the standard word allotment must specify the word allotment necessary for each issue.
